## The Power of Art

AIDA invites you to a powerful exhibition at SOFA CHICAGO

## “Offering Reconciliation”

AIDA presents the finale of “Offering Reconciliation”, a thought-provoking exhibition of 135 works of art created by prominent Palestinian and Israeli artists offering their interpretations of reconciliation and hope. The exhibition was conceived by the Parents Circle – Families Forum, a grass-roots organization of bereaved Palestinian and Israeli families who have lost relatives due to regional conflict. AIDA, having seen the exhibition in Israel, arranged to bring the artwork to the U.S. where it has toured prestigious venues including the World Bank and the United Nations.
